

OUR MISSION.

The Nevada Independent Insurance Agents (NIIA) also known as the Nevada Big 'I' through active member participation, will be an unrelenting advocate of the business, professional, and political interests of its members. We strive to provide sustainable competitive advantage in the insurance marketplace by equipping members with tools and resources to maintain excellence in business and customer service.

WHO WE ARE.

The NIIA is a member of the Big 'I' federation comprised of 51 independent state associations. Over 26,000 agency locations have joined their state's association which makes them a member of the national Big 'I' and Trusted Choice® agencies. The Big 'I' has been proudly serving the independent agency community for more than 125 years.

Independent agents represent multiple insurance carriers, and offer choice, customization, and advocacy to their customers. Big 'I' members primarily offer property-casualty coverage, but some also sell life-health, retirement, and employee benefit products.

The NIIA represents the independent insurance agent channel throughout the state and looks to serve 800+ independent agencies throughout Nevada.

OUR STRUCTURE.

The NIIA is governed by a board which is made up of an elected five-person executive committee, 6 volunteer agent directors, and the Emerging Leader Chair. Top priorities of the NIIA include effective advocacy for its members in all branches of government and sectors of insurance as well as effective communications both within and outside the industry on behalf of independent agents and brokers.

HOW WE HELP.

The NIIA provides resources to help members build and grow agent's business. Member agencies have access to exclusive products and the NEW BIG I ALLIANCE Market ACCESS, services, and education created for independent agents by independent agents and our partners.
